St James CE Primary School

Executive Headteacher: Mrs. J Young (BA Hons, PGCE, NPQH)

Dear Parents/Carers

27/11/2023

Your child will be taking part in a project with Active Hope. This will take place in school time. The dates below are as follows:

Which Way Now – 9.30am-11.30am approx.

Tuesday 5th March 2024
Wednesday 13th March 2024
Wednesday 20th March 2024
Wednesday 27nd March 2024

The Which Way Now Project has 4 sessions.

- Each session lasts approximately 2 hours (dependent on school play times)
- They are outdoor sessions.
- The sessions take place in all weather (unless extremely cold or wet).
- All sessions have team building and problem solving games and activities.
- Each session uses an Adventure Trust Trail (more details below).
- Over the 4 sessions basic Orienteering skills are taught and used.
- The session begins and ends in the classroom with the celebration assembly and daily act of worship.

This is for year 3 only and a full risk assessment will be undertaken.

This is an amazing experience for the children to be involved in but unfortunately incurs a cost as follows:

Total cost – £19.35 per child

Payments can be made by via the school money app. The project can be paid in full or instalments. If we could ask that you make payments by 23rd February 2024.

Many thanks for your continued support,

Mrs A Battersby
Class Teacher
