

# St James' CE Primary School

## Lupin Class Blog

Week Ending 26<sup>th</sup> November 2021.

In year 1 we have been learning about numbers to 20. We have been using our mathematical knowledge to do some addition and subtraction equations.

In PE we have been practising our jumping and landing. Exploring how to jump and land safely and how to make our jumps higher and further.

This week we enjoyed a visit to Haydock Library. We met the lovely staff their who told us all about B.A.S.H (book awards St Helens) which we are involved in. We have to choose our favourite from 5 books we have been given to read.

We are thankful to God for being able to enjoy are learning and be together with our classmates. 😊
