

# Lupin Class Blog

Week Ending 8<sup>th</sup> October 2021

Year 1 have been working really hard these last two weeks.

In maths we have been working on our 2-D and 3-D shapes. Getting to grips with the vocabulary to describe their properties.

In our Geography topic, town or coast, we have been learning about what types of buildings and features we would find in different areas.

In computing we have been learning all about how to be safe on the internet. Last week we managed to log on to our school laptops for the first time! (Check out Twitter for photos)

In Art we are learning about the artist Giuseppe Arcimboldo. We are starting to create our own portraits using fruit and veg this week.

We are very thankful to God for the Autumnal changes. 😊
