

# St James' CE Primary School

## Lupin Class Blog

Week Ending 10<sup>th</sup> Sept 2021

Year 1 have had a fantastic start to the new school year!

We have been working very hard using our counting skills to understand numbers to 10. We have also been practising and learning our phonic sounds.

In our geography topic- Town and coast we have been looking at Bears' trips to different cities in the UK. He went to London this week, so we looked at some of the landmarks and discussed why is it a special city.

In science we have started learning about the seasons. This week we have learnt about summer and what weather we can have. We also discussed how to be safe in summer and what protection we need from the sun. #

We are looking forward to enjoying lots more learning next week.

We are very thankful to God for being back in school and seeing all our friends again! 😊
