

St James' CE Primary School

Gerbera Class Blog

Week Ending 12th November 2021

The Gerbera Daisies are continuing to get stuck into life in year four. From the first church trip of the year to a history workshop. Their hard work continues to impress Miss McDonald.

Church:

On Thursday 11th November, along with the rest of the school walked over to St James church to receive our first church service of the year. We really enjoyed listening to Father Ian's service and listening to reading and prayers from year 6.

History:

After starting our new History unit, year four had the pleasure of experiencing a workshop delivered by History Alive. We adored learning about life in Anglo-Saxon England, trying on costumes and exploring artifacts.

Kabs:

This week, the Gerbera Daisies had the pleasure of experiencing a team building exercises delivered by the lovely Lisa. We had chats about our emotions and feelings and how it is better to talk when they are small rather than let them build up. We worked as teams communicating and listening to each other to complete games.
