*At St James we value all our children and their education. Our curriculum is designed to help them **LEARN**,*

***L**eads them to become well-rounded pupils who show mutual respect for others, self-respect for themselves and can articulate their thoughts, feelings and ideas*

***A**llows them to develop a curiosity for learning, a thirst for knowledge and celebrates mistakes in a safe Christian environment*

***U**tilises and builds on their skills and knowledge, allowing them to apply them to life experiences*

***G**rows pupils' independence and helps them to build resilience and self-confidence*

***H**elps them to understand themselves and have aspirations to achieve in life enabling them to contribute to the wider community in a positive Christian way*

And live With the Love of God
